**Finance Report**
Two motions were made.

Motion 1: *Moved that we request management to provide the full local financial actuals (P&L) for KPFK for the last two years, and present a budget proposal for the current fiscal year which began October 1 within 2-3 weeks so that it can be discussed in the finance committee and the LSB.*

Rationale for this first motions is that we cannot afford to wait for the audited financials to begin the budget development process, and that the Finance Committee and the LSB need to see the financial data that is currently in hand to make informed analysis.

Approved with no objection and three abstentions.

Motion 2: *Moved that the KPFK Finance Committee, through the chair/treasurer, request the equivalent P&Ls for the last two fiscal years for KPFK from NETA within the same time frame.*
Rationale for the second is that NETA generates its financial documents using a different accounting program than the station uses, and we need to see what discrepancies if any there are between the two records, and try to resolve them.

The second motion was approved with no objection and two abstentions.
