*and Whereas there have been formal complaints made against some LSB Committee chairs muting participants without proper cause,*

*The KPFK LSB moves to reaffirm their previous meeting decorum policy of:*

*4. Upon a first minor incident (interrupting a speaker, for example) the Chair would give the member a warning. Upon a second incident, a second warning should be given. Upon a third incident in the same meeting, the Chair may ask the body to consider muting the member for the remainder of the meeting. Such a request should be voted on immediately and would not be debatable. If the member continues disruptive behavior, s/he will be asked to leave the assembly and, if s/he fails to do so may be barred from future participation. [This amendment to the existing decorum policy was adopted by the LSB Feb. 16, 2022] See motion in appendix*

**APPENDIX: Motions**

**Motion from PNB Committee of Inclusion for KPFK:**

Resolved that the KPFK LSB strongly urge management to record and air welcoming and fundraising/member-recruiting promo messages voiced by diverse members of the KPFK Local Station Board for use during the current fund drive and subsequently, and

further resolved that all members of the KPFK LSB use our connections and community engagements to help build an off-air membership drive campaign, with the assistance of station management and staff to craft effective, attractive and professional-appearing branded campaign materials, to seek *en*

*masse* memberships from community, civic and professional organizations, labor unions, faith-based groups, and other membership organizations whose values and goals are consistent with the Pacifica mission and the station's commitment to free speech, peace and justice.

Adopted without objection by the PNB Committee of Inclusion, Aug. 19, 2022

**Motion from the LSB Finance Committee:**

Policy for Fundraising Events or Efforts Not Initiated by KPFK Management or LSB.

WHEREAS: The LSB needs to ensure that KPFK is appropriately protected from incurring any legal liability or other potential damages that may occur in fundraising efforts or events not initiated by KPFK Management or the LSB. The GM has the ultimate responsible for this.

THEREFORE, the KPFK GM and the LSB shall be informed about all such fundraising efforts or events and shall follow these herein procedures.

Any and all fundraising events or efforts not initiated by KPFK or the LSB, that are promoted as being KPFK or Pacifica events, whether promoted on air, on the web site or in any other media distribution technique or which use the name KPFK or Pacifica in any way, shall be pre-approved by KPFK management who will inform the LSB of the event/s. This is to ensure that management can put in place all appropriate insurance policies and other protocols necessary to protect KPFK/Pacifica.

All the events or efforts initiated by individuals, programmers, or committees using the KPFK or Pacifica name shall provide the following information to be reviewed:

What kind of event or effort is it?

When and where it will occur?

Identify who is initiating, organizing, sponsoring, partnering or otherwise involved in the event or other fundraising effort.

If it involves a partnership, sponsorship or some other kind of arrangement with other entities or groups, the details of that arrangement shall be provided for review.

If there is a budget it shall be submitted for review (even if expenses are not expected to come from the station).

The percentage of the funds raised that will go to KPFK/Pacifica and separately to the third party shall be disclosed during the pre-approval process.

Provide details on how the Cash Management Policy will be implemented and by whom.

**Motion to rescind a portion of the Decorum Policy**

Whereas, the "Meeting Decorum" policy has been used to indiscriminately silence voices of LSB Finance Committee members by muting them without cause, or false excuse, and

Whereas Roberts Rules of Order and relevant law require that members be audible to each other ((6) Members of the board may participate in a meeting through use of conference telephone, electronic video screen communication, or electronic transmission by and to the corporation (Sections 20 and 21). Participation in a meeting through use of conference telephone or electronic video screen communication pursuant to this subdivision constitutes presence in person at that meeting as long as all members participating in the meeting are able to hear one another.], and

Whereas muting members on a telephonic call also prevents the member from voting,

I Bella De Soto move to rescind the motion on "Meeting Decorum" approved on 2/16/2022." by this body (This motion requires a second and with previous notice requires a majority vote without previous notice it requires a 2/3 vote. It can be moved by anyone regardless of which side you voted on when the motion was approved.)
