APPENDIX

6c. Motion on Confidentiality of Financial Documents from NFC

Resolved that the only financial documents that can be shared with the public are: the 990s filed with the IRS; the final audits; the monthly profit and loss statements, and unit budgets; and that for the purposes of these financial documents, the public is anyone not on PNB, Treasurers or station General Managers or Business Managers.

6e2. Motion #1 from Elections Committee

The Pacifica National Elections Committee moves that the Pacifica National Board work with Pacifica management to:

- Notify the Pacifica membership that Pacifica Management has stated that there are no funds available for the bylaws mandated 2022 Local Station Board Elections.
- In the event that bylaws mandated 2022 Delegate Elections do not occur, ensure that as Local Station Board Delegates end their terms in December of 2022, vacant Delegate

seats will not be extended for those terming out or be filled by those defeated in a past election and that the Local Stations Boards will be smaller for part or all of 2023 until elections are held. And further ensure that the smaller 2023 Local Station Boards will elect PNB Directors in January of 2023 and these new Directors will be on the boards for part or all of the year 2023 depending on when new elections are held.

- Implement plans to reduce the costs of elections, raise funds for an election including creating a mechanism for Pacifica members to donate specifically for elections, develop a workable timeline for an election based on the availability of funding and contract only with neutral persons to be involved in making election rulings.

Vanessa Dixon-Briggs will be presenting a minority report on this motion, focusing on the second clause, providing that members whose term ends in Dec. 2022 who are not term-limited will continue to serve until replaced when the elections are held, and that members whose term is ending and are term-limited will be replaced by the next available runners-up in the last election.

6g. Motion on Underwriting

Be it resolved that a pilot program be established for a restricted form of underwriting to proceed at all Pacifica stations wishing to opt into the program for a 12 month trial. Stations participating are required to adhere to the national policies and procedures for this program. The General Manager of each Pacifica station will notify the Pacifica National Board whether that station will or will not opt into the pilot program. A review of progress in implementing the program and its effectiveness shall be undertaken by the Pacifica National Board together with Pacifica management after 6 months and after 12 months. This resolution will expire unless renewed by the PNB after the trial period has ended. At the end of the 12 month review, the Pacifica National Board shall decide to either terminate the pilot program, modify it, or develop a different approach to underwriting.

7. Remaining Motions from Elections Committee

7e1. Resolved that the Elections Committee recommend to the PNB the adoption of the following timeline:

1. That station and national management immediately begin drafting a budget for the coming fiscal year, scheduled to begin October 1, for approval by the NFC/PNB, incorporating funding for the delayed delegate elections, with cash flow projections showing the necessary funds for the hires, the contracted ballot distribution and counting, at the indicated dates;
2. That the PNB direct and ensure that management develops and maintains in an on-going systematic way, accurate, up-to-date, and de-duped lists of station members in both listener and staff classes as defined in the bylaws, prior to the hire of any election supervisors;

3. That the mandate of the National Election Supervisor when hired shall include minimizing the costs of running the election, and particularly of the Local Election Supervisors, by seeking neutral volunteer and pro-bono personnel and service providers to the maximum extent possible;
4. That on-air candidate forums and candidate carts, in rotation through all day parts, shall be aired on each station prior to the distribution of any ballots;
5. That the elections be held in 2023 according to the dates and the timeline specified in the Bylaws; beginning with the posting of the opening for a National Election Supervisor in January and a hire by no later than March 1. [From the Bylaws: In a Delegate election year, the nominations period for seats being vacated shall open on June 1 and remain open for thirty (30) days, closing on June 30. The national and local election supervisors shall thereafter prepare the written ballots for each radio station, listing all of the candidates and setting forth all other information required by these Bylaws. Ballots shall be mailed, or otherwise made available, to the Members on August 15 (or the following day if August 15 is a mail holiday). To be counted a ballot must be received on or before September 30 (the "Election Close Date"). Note that point 4 above means candidate carts and candidate forums must air in the period between June 30 and August 15, and shall continue airing during the period from August 15-Sept. 30.]

7e3. Motion #2 from the Elections Committee:

The EC recommends to the PNB to launch an immediate and on-going off-air membership drive, with high-quality design and implementation, focusing on identifying supporters and allies with influence in mass-membership organizations and communities in general alignment with Pacifica's mission, to seek and encourage large-scale enrollment of their members as listener-sponsors members of Pacifica's stations.

Further moved that the EC recommends to the PNB that it mandate a series of twice-monthly national days of special programming, beginning in August and continuing to and through the November elections, focusing on overcoming voter suppression and other threats to democracy, and on suppression and censorship of critical social, economic and political issues not being sufficiently addressed in corporate media coverage of the elections, to raise funds nationally to help balance Pacifica's books and fund the already delayed delegate elections.

7e4. Motion #3 from the Elections Committee

Moved that EC recommends to the PNB that it direct the ED to swiftly, and before the end of the current fiscal year, require station management to complete the process of developing and maintaining accurate, current and de-duped membership lists of all listener-sponsor members of each station and of staff members (paid and unpaid) at each station, including the vetting of staff lists with the existing staff to ensure this an accurate and complete roster of all staff members with accurate current contact information.
