**KPFT Manager Report to the CAB**

**On his last day in office, station manager, Duane Bradley, paid a short visit to the CAB meeting to say goodbye, and to thank us for our work at the station. Duane said that he will still be active at the station, and will continue as host of KPFT's Open Journal program. Open Journal has become a morning ritual for our listeners and we are glad that Duane will continue with the show. The Community Advisory Board salutes Duane Bradley and appreciate his long and continuing service to this community radio station.**

**Committee Reports:**

There were no committee reports at this meeting.

**Public Comment:**

**Nancy Saibara Naritome:** Suggested that Station have an on-air town hall meeting, that CAB ask membership for Survey input, surveys should be used as feedback by programmers, ask listeners “what first caught their attention to KPFT?” Program Committee should be off the ground by now but no one from staff coming forward to volunteer. Station needs programming feedback. More youth should come into the station and work on the HD channel.
