The Chair said that in the time since the committee approved KPFA’s FY12 budget a suggestion has been made to make a small adjustment to correspond to the building depreciation for 1925 MLK Way, a semi-detached building where the Pacifica Foundation offices are. The depreciation wouldn’t be assessed to KPFA, but to the National Office. The committee discussed this.
Brief review of NFC report for in-person meeting 10:28 PM (ET)

The Chair suggested that we did not have enough time left to put together the report that the NFC should give to the in-person PNB meeting. She proposed that the committee discuss the report at it’s September 15, meeting and do the WBAI FY12 budget proposal and maybe amend the KPFT FY12 budget then too. The committee would also have to do the National Office budget after that.

Motion: (R. Paul Martin) "To adjourn." (Passed without objection)

Adjourned 10:42 PM (ET)

Submitted by R. Paul Martin, Secretary.
