National Office FY14 budget Proposal 8:44 PM (ET)

The committee received the National Office FY14 budget proposal just after the meeting had started. The Pacifica Radio Archives (PRA) FY14 budget proposal was sent to the committee later in the meeting.

The interim Executive Director reported that the National Office FY14 budget proposal called for expenses for two PNB in-person meetings instead of four. They are budgeting 50% of "Shared Expenses" for WPFW and 20% for WBAI. The contract with Democracy Now! is expired and the expenses for that contract are being put in the budget at the last contract’s rate, but Pacifica Management will attempt to negotiate a 50% reduction in the annual Democracy Now! fees. The entire budget proposal is based on last year’s actuals.

The CFO said that the National Office was projecting a deficit of $193,248 owing to the proposed hiring of a Human Resources Director and a National Program Director. With other adjustments and the lowering of the Democracy Now! fees it is projected that the National Office FY14 budget proposal will show a surplus of $11,854.

The committee discussed the budget proposal. It was felt by some that the committee had seen the written proposal too recently and needed more time to study the spreadsheets. It was also felt that the legal expenses were too low. The current WBAI and WPFW on-air fund raisers were discussed. The affordability of hiring of a Human Resources Director and a National Program Director was discussed. The possibilities of getting various grants were discussed.

The committee agreed to continue its consideration of the National Office FY14 budget proposal, and start consideration of the PRA FY14 budget proposal, at the regular meeting on October 22.
