

Thu Aug 26, 2010 12:10 am

Audio of the KPFK Local Station Board meeting scheduled for August 25, 2010 will not be posted. No meeting was convened and no business was conducted, consistent with an interpretation that the board's quorum requirement was not met.

KPFK LES Marc Herbst announced the schedule for on-air and off-air candidate forums in the current delegate elections, and indicated that the latest details will be on the Pacifica 2010 elections website, which is prominently linked from the KPFK homepage. Herbst additionally announced that he would be resigning as Local Elections Supervisor and would soon be replaced by Les Radke -- without an interruption in local election supervision.

KPFK interim Program Director Alan Minsky reported progress in establishing local Program Advisory committees. Minsky also announced the schedule for rollout of upcoming program changes at KPFK.

National Finance Committee Chair Summer Reese pointed out that the LSB has a responsibility to meet with quorum fairly soon so as to review and approve a station budget for the next fiscal year.

Unless a special meeting is called in the interim, the KPFK LSB is next expected to meet on Saturday, September 25, 2010 at 1:00 pm at Palms Westminster Presbyterian Church -- a few days prior to the end of the current fiscal year.
