   - Motion by Teresa Allen.  Whereas former IGM Freeman terminated employment of Patrick Hoyt and Wendy Schroell in 2018, and Whereas there has been no official notification that they are not allowed to act as volunteers in the building, and Whereas there is some confusion as to whether Mr. Hoyt was told verbally that the “police will be called” if he is found on the KPFT property, and Whereas both of these individuals have put in many years of valuable volunteer service to KPFT. Therefore: this LSB affirms that these individuals are welcome and encouraged to volunteer at the station.
   - Motion by Sandra Rawline.  Move that from this time forward, should any slanderous and/or false statements be made during the public comment time during an LSB meeting, that said LSB member(s) be allowed equal time to refute said slanderous and/or false statements made against them immediately following the conclusion of the public comment portion of the LSB Meeting.
