b. Agenda Approval

Bediako noticed nominations and an election for permanent Secretary for the next meeting. Bediako also noticed a consideration of the hire policy for contracted services by the board.

**Point of information** from Aaron: A request for a Robert’s Rules citation regarding prior notice of motions. The Chair committed to research this and Brazon committed to forwarding the relevant citation.

Johnson noticed the Governance Committee, the hiring of an accountant, and a disciplinary matter for the Chair to research for the next meeting.
Point of order from Steinberg: This is dilatory. Notice is not necessary for future motions.

Point of information from Bediako: Is the Recording Secretary on the call? The Chair said yes.

The Agenda was approved without objection.

c. Minutes Approval

Bediako noted that her corrections weren’t added to two sets of minutes and will send them to the Chair.

After an objection and an abstention were heard, the minutes of April 7, 2011 were approved on a roll call vote: Yes--5, No--3, Abs—7.

Yes—Aaron, Allen, Apolinar, Bethune, Steinberg
No—Turner, Bediako, Johnson
Abstain—Prives, Siegel, Brazon, Crosier, Davis, Reid, Nwangaza
Present not voting--Reese

After an objection was heard the minutes of April 27, 2011 were approved on a roll call vote: Yes—5, No—4, Abs—7.

No—Turner, Bediako, Bethune, Johnson
Abstain—Prives, Siegel, Aaron, Brazon, Davis, Reid, Nwangaza

Nominations for Secretary were opened by the Chair.

Point of order from Aaron: People are coming on later. Point of order from Davis: Can we take nominations now and leave nominations open until the end of the meeting? The Chair ruled that nominations shall remain open until the end of the meeting. Davis nominated Nwangaza. Reese nominated Gray. Both nominations were seconded.

Steinberg noticed his intention to rescind the motion approving the present Recording Secretary at the next meeting.

II. Acknowledgements

The Chair acknowledged and thanked Carolyn Birden for her efforts as Secretary.

Point of information from Allen: Is it true we have to submit the minutes from the last six months of last year for the FCC or CPB? The Chair said she would be clarifying that issue and stated that there may be some unfinished minutes in need of attention.
Bediako acknowledged the PNB directors who complemented her on having the courage to notify the board that the former Secretary had hired the services of a prior Secretary without the consent of the board.

Rosenberg acknowledged and personally thanked the KPFA program “Flashpoint” for their invaluable assistance--facilitating public participation--with an important telecom vote at the California Public Utilities Commission.

Davis acknowledged the listeners, the General Manager and the Interim Program Director of WBAI for a successful fund drive. Davis also thanked Tony Bates, Berthold Reimers, the listeners, and the producers for making the improving fulfillment rate possible.

Johnson acknowledged the contributions of staff and everyone involved in the FCC recertification process, which was submitted on June 1 and which is in good order. Johnson also thanked the WPFW family for exceeding its recent fund drive goal.

Steinberg acknowledged unsung heroes of the Pacifica Foundation, in particular the Financial Recovery Task Force.

III. Board Chair Report

The Chair expressed hope that despite differences of opinion on matters of policy, the board will be able to work constructively, be productive and professional, move through its agenda, vote on issues, improve Pacifica finances, and pursue the Pacifica mission, which is the production of good, relevant radio, not administrative matters.

IV. Management Reports

a. Executive Director Report.

Engelhardt reported on the recent NFCB conference, for which KPFA was a sponsoring station, and whose theme was “Community Engagement.” Engelhardt discussed the importance of boards to non-profit foundations and proper board-employee relations.

Engelhardt reported on Business Manager evaluations, which are moving forward with a developed form and process. All necessary meetings between the CFO, General Managers, and Business Managers should be held before the end of July. Engelhardt reported on her work with the FRAT committee and stated that she will be working with the six- and seven-month cash flows and spreadsheets.

Engelhardt reported that she will be in Los Angeles when Bernard Duncan begins as KPFK General Manager on the Tuesday, June 14, will be in New York City for property and other issues, and will be going to Washington DC to look at property under consideration.

Engelhardt reported on an overall successful fund drive. Three stations made or exceeded their goals: WBAI, KPFK, WPFW. Engelhardt expressed the need to change fund raising days, to
continue to look carefully at employee FTEs, contractor employees and improve the payroll situation. Questions from the board followed.

Responding to a question, Engelhardt could not report on the number of contract employees, but reported a reduced number of contract employees. Contract positions have been examined and some have been eliminated.

Later, Engelhardt reported that the WPFW license renewal had been submitted on time and that the change of ownership form (needed whenever the board changes) was filed with the FCC on time.

b. CFO Report

Williams reported that at the NFCB conference she made contacts regarding CPB funding; Pacifica is funded through 2013, then we will have to determine what we will be receiving for FY2012. Williams met with a representative of the Radio Research Consortium; the two Pacifica stations not currently receiving Arbitrons will start receiving them. Williams also discussed car donations, Business Manager training, and a fund raising program for the Board: $50,000 in six weeks. Questions from the board followed.

[AUDIO PART 2]

Questions to the CFO continued.

**Point of information** from Allen: Do we need to redo any paperwork with the additional two members on the national board? Engelhardt answered no.

**Point of information** from Reese: What is the $50,000-in-six-weeks project? Williams responded that it would be a project in which board members would be assigned to call or visit listener-donors to raise $50,000 in six weeks.

V. Committee Reports

The Chair invited KPFA board members Siegel and Prives to join committees which lack director-members from KPFA. The Chair listed the six national committees that lacked director-members from KPFA: Audit, Affiliates Task Force, Archives Task Force, Elections, Programming, Technology.

**Point of information** from Campbell: Have the new members received a complete listing of committees? The Chair answered no and committed to forwarding minutes with that information to Siegel and Prives.

**Point of information** from Brazon: Referred to an earlier recorded statement by the Chair made at the Houston meeting on the matter of Siegel and Prives’ committee membership. The Chair responded that she was not limiting anyone’s committee participation.
**Point of information** from Aaron: Defined what a “point of information” is.

**Point of information** from Allen: If they know what committees they (Siegel and Prives) want to be on, they can so state? The Chair committed to facilitate communication between Siegel, Prives and the committees and to forward minutes of the Houston meeting with committee lists, which was acceptable to Siegel and Prives.

**Point of order** from Bediako: We should be adjourning to executive session (10:04 PM). The Chair responded that she had changed the Agenda and that 10:30 PM was the executive session scheduled start time.

Affiliates Task Force. No report was given.

Coordinating Committee

Motion from Coordinating Committee: “The Coordinating Committee recommends that the PNB have its next in-person meeting on Friday, August 26 through Monday, August 29 in Washington, D.C. Passed 6 yes, 1 no”

A substitute motion was offered by Brazon. The motion, which had been offered at a previous meeting, was not read. From the minutes of April 7, 2011:

“**Substitute motion** from Brazon (amended by Reid): Whereas, the Pacific Auditor's report states in part, "Although management has taken recent action to increase revenues and reduce expenses, as of the date of this report there is not a Board approved and implemented financial plan in place in order to restore adequate working capital within the current year. Accordingly, substantial doubt remains as to the ability of the Foundation to continue as a going concern as of the date of this report." and,

Whereas, the expenses for in person Pacifica National Board Meetings totaled $100,333.82 in calendar year 2010; and,

Whereas, the board must weigh the gravity of Pacifica's fiscal challenges with that of the bylaws meeting schedule;

Therefore, it is resolved: That the Pacific National Board shall meet in person once more for its second in person Pacifica National Board Meeting for calendar year 2011, to be held Thursday, Friday, Saturday, Sunday, September 22, 23,24, 25 in Los Angeles, California. This would signify a total of two in-person Pacifica National Board Meetings and would be the final meeting for calendar year 2011.”

**Point of information** from Crosier: Under Robert’s Rules it is appropriate to discuss both motions.
Reid moved to amend Brazon’s substitute motion: Instead of Thursday, September 22, it would begin on Monday, September 26, adding a fourth day. No vote taken.

The Chair ruled that a substitute motion should not change the intent of a main motion entirely and cited Robert’s Rules in support of her ruling (RONR 10th Edition, p. 110-111). The Chair further ruled that Brazon could urge rejection of the main motion and that her alternative motion would be immediately recognized if the main motion failed.

Davis called the question.

Crosier’s main motion failed on a roll call vote: Yes—8, No—9, Abs—0.

Yes—Rosenberg, Aaron, Apolinar, Bethune, Crosier, Davis, Steinberg, Nwangaza
No—Prives, Siegel, Turner, Brazon, Allen, Bediako, Johnson, Reid, Gray
Present not voting--Reese

Johnson moved to extend five minutes. Steinberg and Rosenberg objected. Aaron called for adjournment. Point of order from Bediako: You need to rule on the substitute. Point of order from Steinberg: This is dilatory.

Johnson’s motion to extend failed on a roll call vote (2/3 required): Yes—11, No—6, Abs—1.

Yes—Prives, Siegel, Turner, Brazon, Allen, Apolinar, Bethune, Bediako, Johnson, Reid, Gray
No—Rosenberg, Aaron, Crosier, Birden, Davis, Steinberg
Abstain--Nwangaza.
Present not voting--Reese

Discussion continued. The meeting adjourned at 7:44 PM PDT due to expired time.

The board then reconvened in executive session.

Respectfully submitted by Efia Nwangaza, PNB Secretary Pro-Tem
John P. Garry III, PNB Recording Secretary
(these minutes were approved on June 22, 2011)

**MOTION: Pacifica Foundation Program Director Search Process**

The following steps must be taken in sequence in order to conduct an approved search for a candidate to fill an open position. All references below to “National Office” specifically indicate the National H.R. worker, if one is in place, or if not, the E.D.

- LSB creates Search Committee – the PNB recommends that it include a minimum of 7 and a maximum of 11 members. The Committee shall consist of LSB members, including paid and unpaid staff members.

- Names, email addresses, and phone numbers of all committee members shall be sent to the National Office.

- The Personnel Committee will provide a copy of the job description, candidate evaluation criteria, and confidentiality agreement (for non-LSB members) to the LSB Search Committee.

- Search Committee shall arrange through the National Office for publication of an ad in venues reaching diverse communities per FCC and EEO guidelines and the ad shall be placed within 7 days of the request. Ad budget shall be set by the GM and LSB. In addition, an ad should be posted at the station’s premises, on its website and airwaves, and in its e-newsletter or other publications. Application period shall be 30-45 days, and applications shall be submitted to a central location in the National Office and then distributed to all Committee members via email.

- Search Committee shall create a timeline for its work, including meetings, rankings, interviews, and reports at each LSB meeting. There shall be two sets of final interviews – one by any interested paid and unpaid staff (preferably during an evening or weekend to accommodate unpaid staff with day jobs), the other by the Committee, which LSB members who are not on the Committee may attend but in which they may not participate. The timeline shall include a meeting at which the Committee shall receive training from the National Office on laws and rules concerning the hiring process. To assure equal treatment of all candidates, each interview round shall be conducted by the same method (e.g., phone, in-person, etc.). All initial interviews shall be by telephone. All Committee meetings discussing the hiring process shall be noticed to the public, and held according to the open-meeting provisions of the Pacifica bylaws.

- The Committee shall formulate a list of standard interview questions for all candidates.

- The Committee shall decide on its pool (3-5) and rankings of recommended candidates using Single Transferable Voting, with Committee members strongly encouraged to write a brief explanation of
their votes.

The Committee shall write a final public report explaining the process it went through in its search and recommendations. It shall also submit a confidential appendix to the LSB containing the names and rankings of its recommended pool members (3-5), along with any explanations written by Committee members of their votes. In executive session, the LSB shall discuss and vote on whether to accept the candidate pool and rankings as presented by the Committee, or select candidates from the final round of interviews, as described in #4 above.

From: Nwangaza:

MOTION: To rescind the motion passed May 12, 2011 regarding the Pacifica Affiliates Task Force.

MOTION: for a Pacifica Affiliates' - Pacifica Foundation Task Force

Introduction
The vision for the Affiliates’ Program (The Program), at its inception, was that The Program would facilitate the development, production, broadcast, exchange and distribution of meaningful and influential progressive content, provided by both the sister and affiliate stations. The Program was expected to be a mutually supportive resource, serving its members as a communication hub and a teaching/learning community. It would be dedicated to improving both program content and delivery efficacy, with an ever increasing number of progressive programs. The programming would be responsive to Foundation and Affiliate listener needs and interests and give access to otherwise unavailable news, arts, and commentary for worldwide radio, internet, and other possible platforms.

Mission
To achieve this objective, the Affiliates’ Task Force was created and charged with representing the Pacifica Affiliates and being a bridge to the Pacifica Foundation. Consistent with the Pacifica Foundation’s mission and the Task Force’s charge, The Task Force shall strive to build and maintain an authentic Pacifica-Affiliate partnership by maximizing Affiliate membership, input, and participation.

Membership
Any member of an Affiliate or Pacifica station is welcome to participate in the Pacifica-Affiliates’ Task Force.

Voting, Co-Meeting Facilitators and Monthly Meetings
Where voting occurs, only duly designated station representatives of an Affiliate or Pacifica station, who has attended three consecutive meetings (the meeting of the vote and two meetings immediately prior to the vote) shall be allowed to vote.

Officers
The Task Force shall be convened by PNB assignment. It shall elect a pro tem Facilitator or Facilitators (at least one of whom shall be an Affiliate Director) for the first three meetings and a Secretary (who shall be any voting eligible member of the Task Force). The permanent yearly Facilitator(s) shall be elected at the third regular meeting.

Meetings: The Task Force shall meet a minimum of once a month and conduct such business as is consistent with its mission and in the manner prescribed the by-laws of the Pacifica Foundation.
