WBAI Local Station Board April Meeting

Some members who participated by phone call-in were not heard at the beginning of the meeting, due to a Zoom setting which the Secretary has now corrected. Sharronne Salaam joined at 9 pm. Randy Credico is absent with advance notice.

R. Paul motions to excuse all absences at today’s meeting. Michael motions to include March absences. Mitch objects. Roll call vote on amendment to include March absences. Amendment passes 16 for, 2 against, 1 abstention. Vote to excuse absences as amended passes 16 for, 2 against, 1 abstention.

Feb. 12, 2020 minutes are adopted with two corrections. 16 for, 1 against, 3 abstain. March 11, 2020 minutes were not taken in full and will be voted on in May.

Ratification of actions of March 11, 2020 LSB Meeting
Chair notes the last minute nature of our move to Zoom because of the COVID-19 pandemic. There was discussion at the March meeting about whether or not it was valid due to improper notice. Aside from standard reports and public comments, members voted to adopt the agenda, established a Program Director Search Subcommittee, and passed a resolution urging Pacifica to take corrective action concerning donations to WBAI and bank account access. Michael motions to ratify these actions. It passes with no objections.

Program Director Search Subcommittee Elections
William Heerwagen makes a motion to rescind the resolution that established the committee in order to make a change to its composition. He suggests that three staff members who are not on the LSB should be elected instead of one, because they know the most about radio. His new motion would replace any mention of “one” non-LSB staff candidate with “three” in the resolution. Chair notes that only one person has applied for this position and the application period is closed. She rules William’s motion to rescind out of order. William motions to appeal this ruling. Hazel seconds. Vote to uphold ruling of the chair passes 11 for, 5 against, 3 abstentions.

Nominations for PD Search Subcommittee. Electronic voting by those present will take place afterwards. Secretary provides link to non-LSB candidate applications. Nominations take place and candidates are identified as follows.
- LSB Member Staff candidates for three positions: Shawn Rhodes, Jack Devine, Max Schmid

Terry Goodman will serve as an impartial teller and set up an Opavote electronic election for us, adhering to Pacifica’s election rules. Ballots will be sent out by the end of the week and will be open for at least 48 hours.

Main Motions & Reports

Radio Committee Resolution. Submitted by Shawn Rhodes. Passes 18 for, 2 against.

General Manager’s Budget Report. Given by Berthold Reimer, followed by Q&A. Time was extended to allow for more questions. I recommend listening to the audio/video recording here for more detailed information.

Fundraising. Did not formally reach #11 on agenda, but fundraising was discussed during GM’s report and Q&A.

Public Comment. Held at 9:15 PM with 2 minutes maximum per speaker.

Meeting adjourned at 10 pm.

The following were not discussed because of time, but written versions were provided ahead of time (thank you to those who wrote a written report, it’s so helpful!): A report from WBAI’s Pacifica National Board Directors with a high level summary of activities since the last LSB meeting; the monthly Treasurer’s Report submitted by R. Paul; a resolution to a Form Governance Committee re-submitted by William. The Interim PD’s Report and the Report of the Community Advisory Board were also not delivered.

Results of the election, added to these minutes after the fact. The committee will be: Rosalie Hoffman, Shawn Rhodes, Jack Devine, Max Schmid, Safia Albaiti, Michael White, Reggie Johnson and Errol Maitland.

Congratulations and thank you to everyone who ran! You can find the detailed Opavote results here. Initially the results incorrectly showed only two of those three positions being elected. But since there were only three candidates, there was no substantive change to the results! You can see that recount here.
